

Individual and Team Sponsorship

In just 2 short years, The Source LGBT+ Center has outgrown its space due to the overwhelming need from the community and our ability to meet that need with resources. With your sponsorship of an individual or team, we can continue to meet that need with peer support, education, and a larger space. The Source can raise \$100,000 to build a foundation of capacity and find our forever home. Go Over The Edge with us this fall and be part of something huge!

On November 10, 2018 people from all over the Central Valley will take bold step forward and go Over The Edge to raise money to support out vital nonprofit organization. Visalia Over The Edge is the first of its kind peer-to-peer fundraising event in our market. 92 participants will rappel down Visalia's tallest building, Visalia Marriott at The Convention Center. This community building event will bring local and national media attention as well as a new exciting event to Downtown Visalia. It has an earned media value of over \$100,000.

Visalia OTE gives participants a life-changing opportunity to rappel over 9 stories and gives sponsors the attention and recognition they desire. This trend-setting opportunity stands out in a area saturated with traditional galas, auctions, and golf events. Be seen. Be part of something important. Make a difference and partner with us to create a community where everyone feels safe and included. Sponsor a rappeller today!
